

Gold & Silver Crossword

Across

[4] Shiny bricks of precious metals, just like a treasure made for superheroes.

[6] Shiny like the moon, this metal is said to affect werewolves in special ways.

[8] A small, round piece of metal you use to play arcade games or buy candy.

Down

[1] A super-secure room where treasures like gold and silver are kept.

[2] Money in the form of coins or banknotes, used to buy toys or ice cream.

[3] A block of metal, shaped like a brick, that superheroes might mistake for power.

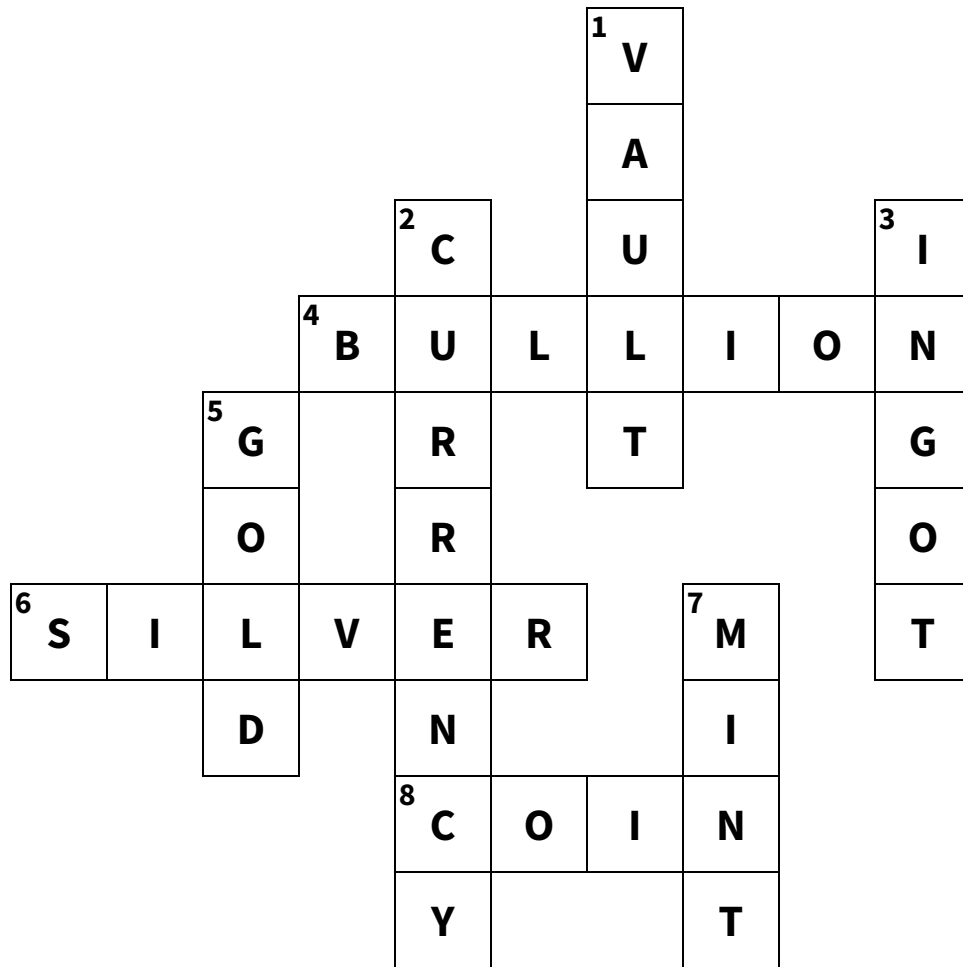

[5] A precious metal that pirates often search for in hidden treasure chests.

[7] Not a chewing gum, but a factory where coins and bullion are made.
